

GOVERNING BOARD of SAN CARLOS CHARTER LEARNING CENTER

Resolution to increase FTE for Director of Special Education and Learner Services

Whereas

- the San Carlos Charter Learning Center (SCCLC) governing board created a 0.7 FTE position of “Director of Special Education and Learner Services”, position control index number 114, on March 3, 2012, to begin on July 1, 2012, contingent upon of SCCLC’s application to the San Mateo County SELPA as an independent LEA; and
- SCCLC began operating as an independent LEA for Special Education on July 1, 2012; and
- recognizing the importance of our new Special Education program, including meeting the educational needs of all of our learners in a legally compliant manner; and
- the SCCLC School Director is anticipated to begin a period of medical leave imminently, the duration of which, while impossible to accurately forecast, is anticipated to be several months at minimum; and
- it is critical to SCCLC that sufficient administrative personnel be available and on-staff to meet ongoing operational needs across all areas of the school’s operations,

it is therefore resolved by the governing board of SCCLC that

the current staff position titled “Director of Special Education and Learner Services”, Position Index number 114, be authorized and expanded from its current FTE of 0.700 to 1.0, beginning on February 1, 2013, and continuing until June 30, 2013.

Approved by the Board of Directors of SCCLC on January 30, 2013
