

GOVERNING BOARD of SAN CARLOS CHARTER LEARNING CENTER
Resolution Number 11:2014/15

Enrollment Capacity by Grade Level for 2015-16

Whereas

- the current charter petition for San Carlos Charter Learning Center (SCCLC) establishes an overall enrollment capacity of 400 learners; and
- SCCLC admitted 44 learners in kindergarten and 1st grade for 2012-2013, an increase of 8 learners per grade level above the 2011-2012 nominal enrollment; and
- SCCLC has continued to admit 44 learners to each incoming kindergarten class beginning with 2013-14
- SCCLC has finite resources that must be managed to meet the educational goals described in its Charter, which includes managing learner capacity by grade level, and
- SCCLC previously set enrollment levels for 2015-16 by resolution on March 11, 2015,

it is therefore resolved by the governing board of SCCLC that

that grade level capacity for the 2015-2016 school year be set at 44 learners per grade level for Kindergarten through 4th grade, 36 learners for 5th through 6th grade, 38 learners for 7th grade, and 34 learners 8th grade.
